Enabling Environment for SDG: the Role of CSO

“DPR RI-GOPAC Meeting on Strengthening the Parliamentary Roles for Ensuring the Effectiveness of Development Resources in support of SDG Implementation”
Jakarta Indonesia, 30 of August 2016”

Sugeng Bahagijo
Executive Director, International NGO Forum on Indonesian Development-INFID
www.infid.org
Indonesia projections

- The 16th largest economy, with GDP closed to $1 trillion.
- Indonesia income per capita will increase to $14,900 in 2025 (12th) and will increase to $46,900 in 2045 (7th of 8th).
- It will need a sustainable 7-8% growth per year.
- It will required an additional 40-50 million skilled workforce between 2015-2030.

- Reduced Inequality (Goal 10)
- Energy for all – 100% electrification
- Water and sanitation for all (Goal
- Reduced corruption, better Quality of Government (Goal 16)
Inequality in labour markets

- More than **60%** is low skilled workforce - elementary and junior high school.
- It must put **high priority** and larger investment for **vocational education and training** – at minimum, **5% of education spending** [Rp 20-25 Trilion per year]
Indonesia’s SDG Progress

1. SDG Regulation – *Presidential Decree on SDG* [2016]

2. Joint Committee on SDG Implementation – *multi-stakeholder joint committee* [2016]

3. SDG Plan of Action [2017]
Enabling Environment for CSO

Accountability
(Institutionalization of LAPOR, public funding for CSO for SDG implementation)

Mechanism for CSO and public participation — offline and online. (SDG Joint Committee)

Transparency and better data—offline and online (SDG Baseline, using IT for better public access)

Parliamentary and CSO roles

“No one left behind”

Parliamentary SDG Task Force working with Govt and CSO at national level

More investment in “human development” budget for vocational and professional trainings (Law on Vocational Trainings)

Open and participatory budget at national and local level

Open Parliament plan of Action
